Show-and-Tell Superstar

Talk about something you love, like a star

Say these three things

1. What is it? “This is my _____.”
2. Why do you love it? “I love it because _____.”
3. Fun fact or story. “One time, _____.”

Be a star with your voice and body

- Big voice: so everyone can hear.
- Look at eyes: not the floor.
- Big smile: show you’re happy.

Practice makes a star

Color a star each time you practice, up to five. A little practice with a friendly audience is how confident speakers begin.

PARENT TIP Let your little one practice on you first, twice. Clap and cheer. Early wins with a friendly audience are how confident speakers begin.
